Home Security Offers

Trillium Mutual Insurance Company is pleased to announce its collaboration with three respectful Security System companies. Trillium has teamed up with Wightman Telecom, First Line Security and Georgian Bay Fire & Safety Ltd. in order to better serve our customers. Installing a Security System in your home not only provides protection for you and your loved ones, it will also give you peace of mind when away from home. Trillium Mutual also offers a maximum 10% discount on residential insurance for those with security systems installed in their homes. Special Offers will be given to Trillium Mutual customers who purchase a Security System form any of these three companies.

Wightman Telecom:

Wightman Telecom offers one free year of monitoring (\$240 value) with their package which includes; 2 door contacts, 1 motion sensor, 1 smoke detector, 1 keypad with LCD display & siren, 1 telephone communicator for sending signals to a monitoring station, and 1 two button key fob for arming and disarming. Installation cost would be \$ 599.00 (plus taxes). Other packages are available as well as free transfer from any other security provider to Wightman Telecom.

First Line:

First Line Security offers one free year of monitoring (\$240 value) First Line's package includes; 1 DSC 6-16 zone control panel with transformer, battery and priority jack, 1 LCD keypad with low temperature sensor, 2 door contacts, 1 motion sensor, 1 smoke detector and 20 watt siren. Installation fee would be \$550.00(plus GST). First Line also offers additional devices upon request. Transfer of your system to First Line is from any other security provider is free of charge.

Georgian Bay Fire & Safety Ltd.:
