TRILLIUM'S MASTER POULTRY PROGRAM

was specifically created for Ontario's poultry farmers. No matter what size, if your poultry operation is well-managed and well-maintained, this is the RIGHT program for you.

A farm insurance program designed specifically for all types of poultry operations.

Mastered!

COVERAGE DETAILS

Farm property is covered for all risk with one limit.

Values are based on replacement costs which include inflation.

Comprehensive livestock coverage, including heat prostration.

Farm income is covered if your business is interrupted. 12 or 18 months are available depending on the type of poultry operation.

The deductible disappears on large losses (does not apply to heat prostration).

Coverage for non-owned farm machinery.

Coverage for rental costs of replacement equipment.

Coverage for power fluctuation is included.

Office equipment coverage is included.

Accident & Replacement Labour Coverage is also included.

LIABILITY

- Liability coverage includes personal and farm exposures including products and completed operations.
- \$2,000,000 automatic coverage. Limits can be increased up to \$5,000,000.
- \$2,000,000 accidental pollution coverage.

OTHER ADVANTAGES

- Premium payments can be made monthly without any service charges.
- Our staff understands the intricacies and technicalities of all sectors of poultry farming. Your portfolio will be reviewed annually by professionals who truly know your industry.
